### DARING JAIL BREAK IN BROAD DAYLIGHT

#### Dail Eireann Holding Long Secret Session

Lengthy Private Conference Between De Valera and Commander of Irish Republican Army -Miss MacSwiney Goes to Parliament

With President.

Dublin, Aug. 22.—Dail Eireann (Sinn Fein Parliament) went into secret executive session at noon today, after a delay of an hour occasioned by a long private conference between Eamonn De Valera and Michael Collins, the commander-in-chief of the Irish Republican army.

It was reported that De Valera hade received a dispatch from some quarter, which made it necessary to confer at length with Colins. It was understood that his letter had a bearing upon Dail Eireann's peace deliberations and that it might hasten peace.

Dail Eireann was scheduled to convene at 11 o'clock, but it was 12 o'clock before De Valera arrived. He drove up in a motor car accompanied to the drove up in a motor car accompanied to contact the dispatch of Page Six.)

Washington, Aug. 22—The United States soliding today watching a boiling pot in Latin-America. This government, having informed Panama that the United States does not "feel compelled to suggest" that Costa Rica delay longer in taking over the disputed territory on the Panama-Costa Rica boundary, which was awarded to Costa 192 at the White award and having ordered a battalion of marines to Panama, is awaiting further developments.

Officials of the State and Navy Departments are keeping silence as to the reason for the dispatch of the marines to Panama, but it is generally believed here that "soldiers of the sea" will receive orders in Panama to suppresse the taking over of the disputed territory if trouble threatens. (Continued on Page Six.)

Irish Republican army.

It was reported that De Valera hadereceived a dispatch from some quarter, which made it necessary to confer at length with Colins. It was understood that his letter had a bearing upon Dail Eireann's peace deliberations and that it might hasten peace. Dail Eireann was scheduled to convene at 11 o'clock, but it was 12 o'clock before De Valera arrived. He drove up in a motor car accompanied by Collins, Countess Markiewicz and Miss Mary MacSwiney, sister of the late Lord Mayor of Cork, who has just returned from the United States. Harry Bold, De Valera's secretary, who arrived from America yesterday, conferred with a number of prominent sinn Feiners.

#### Threaten To Wreck Plan For Recess

Washington, Aug. 22 Senators and Representatives who voted for the the rising storm of protest in Congress original Volstead act, joined today in against the anti-saloon League proposal to legalize search and seizure of private property outside the home by prohibition agents not armed with search warrants.

private property of the propriate prohibition agents not armed with proposal, written into the antibeer bill by Sen. Sterling, Republican of South Dakota, and Representative Voistead, Republican, of Minnesota, "dry" conferees on the bill, threatens to wreck the plan for a congressional recess starting Wednesday and to render further doubtful the final enactment of the bill itself.

Opponents of the proposal are ready it. They declare it violates the contowage a long and bitter fight against stitutional rights of the private citizen, and would permit indiscriminate search of automobiles, baggage, and other private property outside the home on the slightest pretext by prohibition "police."

### Pear Thieves

W. F. Wells does not think that certain young men who took a fancy to his choice pears are going to be quite so anxious in future to come eround to his home at 62 George street late at night to sample the fruit of his trees. For several nights in succession the intruders three in number, tried to take advantage of the bright moonlight to see what the pears tasted like, but each time something scared them away before they had gotten what they were after. On the third night Wells surprised the inad gotten what they were after. On the third night Wells surprised the trespassers just as they had started perations, and he happened to have a gun with him. He took a few shots at the ground, and the unwelcome visitors ran. visitors ran.

#### Harding Sent To Denies Panama Report

Rumor That Secretary of Treasury Mellon Has Resigned.

Washington, Aug. 22 .- Formal denial of reports that Sec-

White House today.

"The President has not received Secretary Mellon's resignation, nor has be had any intimation that the Secretary has any desire to resign," published reports to the contrary are incorrect, Secretary to the President George Christian, said.

Following defeat in his tax revision program at the hands of Congress, reports were circulated here that the Secretary of the Treasury greatly displeased. The White House denies any knowledge of such an attitude on the part of the Secretary.

At the office of the Secretary of the Treasury, it was stated that the Secretary was in conference, but had not Indicated that he had tendered his resignation.

### No Change In His Parish

"It is an absolute untruth that I am to be transferred to any other parish or that my parish is to undergo any changes, said Rev. Matthew J. Traynor, pastor of St. Mary's church when interviewed today by a Time, reporter.

church when interviewed today by a Times reporter.

The priest emphatically denied all reports made through local publications that he was to be transferred to the new parish which will soon be started in the West End or that St. Mary's parish, one of the oldest in Bridgeport, was soon to be turned over to the foreign-speaking people of the East Side.

"My parish is one of the finest in the city and there is no reason for any change. We are out of debt and have much money in the bank. While there are a number of foreign speaking people in our church we still have just as many American parishioners.

## No Fatalities

More than 2,000 members of the United National Association of Postoffice Clerks, Connecticut Branch, were in attendance at the annual field day of the organization yesterday at Pleasure Beach. Postmaster Charles F. Greene was a conspicuous figure in extending Bridgeport hospitality to the visitors.

The chief feature of the day's program was the athletic meet which was won by the New Britain postal athletes who scored a total of 41 at truck and in another second crashof the Bethel line he veered to avoid a truck and in another second crashed against the car of Contractor Frank Valerio. The latter was going slowly and realizing that there was no escape from the impending collision, gave himself up for lost. The violent impact caused both cars t perform eccentric gyrations and partially wrecked them, but strangely enough none of their occupants was

seduction; Frank W. Lindsley, serv-

ing his sentence here he was to be turned over to either the authorities of Springfield. Mass., or the Federal officials, for he was a much wanted man because of his alleged connection with a string of automobile thefts.

The men were seen by a guard a short time before breakfast. When the prisoners were given their morning meal, the three vacant seats at the table were noted. A search was immediately instituted, and the estimated of the search was a string the search was a string

the seriously injured, and the ambulance bearing mentally demolished.

The men from Waterbury are named as the owners of the truck, and are blamed with careless and reckless operation in the complaint filed in Superior court today. The peculiar part of the papers on file is that the action is being brought by Attorney Edward Garfield Burke, Deep River, Conn., rather than by City Attorney W. H. Comley.

Will Seek

Witness Of

Fatality

The men from Waterbury are named as the owners of the truck, and in great of an old saw found in DeAndard's cell, taken with the general deportment of the men, all of whom worked rogether in the leather shop at the fail, has led the county authoristies, including Sheriff Simeon Pease, to believe that it was DeAndre who was the brains of the gang, and who planned the get-away.

He was an office worker, and considered a bright man, and no doubt led the other fail breakers, who, it is thought, manufactured a key with the crude tools and then unlocked the door necessary to release them from the corridor.

The progress of the men was traced through the fail building to a point where a high dormer window was broken, giving them access to the roof. From this vantage point it is plain that the men slid down the roof, going from higher sections of the North avenue structure to the lower portions, finally reaching the ground at the north of the building, so far removed from the street that the table were noted. A search was cape discovered. A piece of iron and the table were noted. A search was cape discovered. A piece of iron and the search of

#### Lake To Be Present At Ceremony
